

Supplies

Treasures 4 Teachers stocks traditional school supplies such as notebook paper, pencils, and crayons. However, some of our more popular items are very non-traditional items like carpet squares, wallpaper and fabric samples, or ice cream containers that can be used creatively in learning environments for our community's students.

Here is a sample list of items we can certainly make use of:

- athletic equipment
- back packs
- binders
- books
- calculators
- carpet samples
- clip boards
- containers
- craft supplies
- crayons - filler paper
- folders
- games
- gift/incentive items
- glue
- index cards
- maps
- National Geographic Magazines
- office/school supplies
- overhead projectors
- pencils

- pens
- reamed paper
- science supplies
- sewing items
- small furniture
- tape of all kinds
- theme notebooks
- tissues
- toys

Don't throw anything away without thinking of us first! Teachers are extremely clever when it comes to using unusual materials for class projects and decorations!

Your generosity can make a difference in the life of a child!!

Financially

We rely on the generosity of the community to keep our doors open. We are so appreciative of local corporations, businesses and individuals who support our operations.

Please consider making a tax-deductible contribution individually, through your work place giving program, or company match program.

Each dollar you donate enables us to distribute \$20 in school supplies to a needy child!!

Personal Donations:

Look what your generosity buys!

\$25 will buy 500 pencils

\$50 will buy 1600 crayons

\$100 will buy 22,500 sheets of filler paper
